About NDC

Nagarjuna Degree College (NDC) is a premier Institute that has been woven into Nagarjuna Group of Institutions (NGI). NDC has the most efficient and experienced faculty members whose dedication towards the students is only to be seen to be believed.

NDC not only trains young minds, but also focuses on the student's physical health and mental well-being.

Overall development of the student community in all spheres of life not sparing even the smallest intricacies of life speaks volumes of NDC's tiring efforts to build a society that is endowed with knowledge and that would last for generations.

At NDC, the students feel at home. NDC has a vast campus and is well-equipped with every modern high-tech infrastructure and the student will never be found wanting in any aspect. NDC caters to the middle class and lower middle-class families and this goes to show that the fee structure is socio-friendly in nature.

At NDC, accountability is a noteworthy element. Every student is moulded with right skill sets and is sent out into the world to reach and conquer higher pinnacles of success. NDC vows to continue building students for the future, today and every day.

Message from the Principal

“ Our college is recognised as a platform for students to build their wings and fly beyond the horizon. The college emphasises on developing and maintaining positive relationships meaning that we know each student as an individual, we learn to provide more personal support and greater access to opportunities in each student’s chosen field of interest. Our approach involves working with parents to meet the individual need of every student and support them in fulfilling their academic and co-curricular goals and dreams. ”
